PROFESSIONAL EXPERIENCE

Graduate Studies & Professional Development

Apr 2025 – Present

Dallas, TX (Remote)

- Completed M.S. in Information Studies (GPA 3.82, Trine University) while maintaining active engagement in PM delivery communities and advisory work.
- Earned four industry credentials in a compressed 12-month sprint: PMP (PMI, June 2026), Six Sigma Green Belt (AIGPE), Scrum Foundations Professional Certificate (ScrumStudy), and Agile with Atlassian Jira (LinkedIn Learning) — all passed on first attempt.
- Applied Agile and process-improvement frameworks in advisory engagements, reinforcing delivery best practices across stakeholder planning and risk identification.

Project Manager

Aug 2024 – Apr 2025

Freedom Mortgage | Dallas, TX (Remote)

- Maintained zero schedule slippage on a \$600K+ project protecting 12,000+ loan accounts by proactively escalating risks via a structured risk register and dependency matrix and delivering weekly status updates to sponsors and senior technology leadership.
- Delivered a zero-defect customer portal migration on schedule and within budget by executing end-to-end project planning, UAT coordination, and cross-functional risk management.
- Cut customer-impacting defects by 32% (measured via sprint defect-density reports) by implementing structured UAT gates, proactive defect triage, and sprint quality checkpoints.
- Achieved 100% on-time milestone delivery across 16 sprints managing a 20-member cross-functional team (engineering, QA, UX, data, business ops) through 2-week Agile cycles.
- Reduced post-launch escalations by 22% vs. prior-quarter baseline by driving usability and workflow redesign with UX and business-operations stakeholders.
- Accelerated requirements alignment by ~3 weeks by translating complex business needs into 160+ user stories with detailed acceptance criteria, minimizing rework and scope creep.

Supply Chain Project Manager

Feb 2022 – Aug 2023

Agilent Technologies | Manesar, India

- Reduced supply-chain delivery turnaround by 18–20% across 18 monthly shipment cycles by leading a process redesign spanning root-cause analysis, SOP standardization, and vendor escalation protocols.
- Maintained 96% supply-continuity compliance across international operations by coordinating 12+ vendors, logistics partners, and customs teams across Germany, Brazil, Europe, and Asia Pacific.
- Built Power BI and Excel KPI dashboards tracking on-time delivery, order accuracy, backlog, and vendor performance across 120+ active SKUs in a multi-region network.
- Executed capital project scheduling and budget tracking for 6 concurrent import work streams, flagging cost variances before they impacted timelines.
- Accelerated new-associate productivity by 30% by coaching and onboarding 5 associates on SAP ECC workflows, SOPs, and operational best practices.

Customer Service Specialist

Jul 2020 – Jan 2022

Bharat Optimum Sales & Services | Gurugram, India

- Improved order-processing accuracy by 15% by designing data-validation checks and SOPs across 50–70 daily SAP ECC transactions.
- Decreased average issue-resolution time by 25% by coordinating cross-functionally between operations and logistics to resolve discrepancies and delivery delays.
