PROFESSIONAL EXPERIENCE

Project Manager — IT Delivery

Freedom Mortgage | Dallas, TX (Remote) | Aug 2024 – Apr 2025

- **\$600K+ Enterprise Program, Zero Schedule Slippage** — Protected 12,000+ loan accounts across a full delivery lifecycle; owned the RAID log, weekly executive status reporting, and proactive dependency escalation to senior technology leadership.
- **100% On-Time Delivery Across 16 Consecutive Agile Sprints** — Led a 20-member cross-functional team (engineering, QA, UX, data, and business ops), maintaining sprint velocity within 5% variance for the full program duration.
- **32% Reduction in Customer-Impacting Defects** — Instituted structured UAT gates, proactive defect triage, and sprint-level quality checkpoints that systematically eliminated customer-facing issues pre-launch.
- **Zero-Defect Customer Portal Migration** — Delivered on schedule and within budget through rigorous end-to-end planning, UAT coordination, and risk governance across engineering, QA, UX, data, and business operations.
- **22% Fewer Post-Launch Escalations** — Drove UX and workflow redesign with business-operations stakeholders, reducing escalation volume versus prior-quarter baseline.
- **~3-Week Acceleration in Requirements Alignment** — Translated complex business requirements into 160+ user stories with full acceptance criteria, eliminating rework and scope creep throughout delivery.

Supply Chain Project Manager

Agilent Technologies | Manesar, India | Feb 2022 – Aug 2023

- **18–20% Delivery Turnaround Reduction** — Redesigned cross-functional shipment processes across 18 monthly cycles via structured root-cause analysis, SOP standardization, and vendor escalation protocols.
- **96% Supply-Continuity Compliance** — Sustained uninterrupted international operations across Germany, Brazil, Europe, and Asia Pacific, coordinating 12+ vendors, logistics partners, and customs teams.
- **KPI Dashboards Across 120+ Active SKUs** — Designed and maintained Power BI and Excel dashboards tracking on-time delivery, order accuracy, backlog trends, and vendor performance for executive leadership visibility.
- **6 Concurrent Capital Import Work Streams** — Managed project scheduling and budget tracking across parallel programs, surfacing cost variances before they could impact delivery timelines.
- **30% New-Associate Productivity Improvement** — Designed and delivered comprehensive SAP ECC workflow onboarding curriculum and SOP training program.

Associate Project Manager

Bharat Optimum Sales & Services | Gurugram, India | Jul 2020 – Jan 2022

- **End-to-End Project Coordination Across 4+ Concurrent Accounts** — Managed B2B sales and service delivery cycles end-to-end: milestone tracking, cross-functional dependency resolution, and executive stakeholder communication.
- **15% Order-Processing Accuracy Improvement** — Engineered data-validation checks and SOPs governing 50–70 daily SAP ECC transactions, reducing downstream rework and escalations.
- **25% Faster Issue Resolution** — Built and implemented a structured escalation matrix coordinating operations and logistics teams to systematically eliminate recurring delivery discrepancies.
